

"Dear children, don't just talk about love. Put your love in action. Then it will truly be love." 1 John 3:18

You can show love by saying "I love you". But we should do more than that. Love requires actions! An example of love in action is to put others above ourselves.

3 - 6	7 - 12
<p>Today, let's put others above ourselves at home by doing these 3 things:</p> <ol style="list-style-type: none"> 1. Share your favourite snack with your family members. 2. After play time, offer to keep all the toys neatly. 3. Offer to help your parents with one household chore. <p>Give your Dad or Mom a high-5 if you manage to do all 3 things by the end of the day!</p>	<p>Make a list of 5 people who are closest to you. Add your name to the very bottom of the list. Now, take some time to pray for everyone else first, before praying for yourself.</p> <p>You can pray something like this:</p> <p>"Dear God, thank You for (list their names). I pray that You will meet their needs. Give them joy, peace and hope in their situations. I pray that I can be there for them and be better at putting them above myself. In Jesus' name, Amen."</p>

When we put others above ourselves, it makes Jesus really happy. It shows that we obey His Word and are truly His followers!

Dear God, I love You and want to obey you. Show me ways to put others above myself everyday. In Jesus' name, Amen.

Parents, use the topic below to start a God-conversation with your children.

Talk about a time when you put others first above yourself, even though it was not an easy thing to do.
