LOVE ONE ANOTHER

"Here is my command. Love one another, just as I have loved you." John 15:12

Jesus wants us to love others the way He loves us.
So, as Jesus fills our hearts with love, let's show love to others.

Gather the following items in your home:

- Paper towel
- Black or blue ink pen
- Red magic marker
- Cup of water

1. Use the ink pen to draw a large heart towards the bottom of the paper towel. This heart represents you.
2. Colour the heart with the red magic marker. This represents Jesus' love for us.
3. Draw a bunch of small hearts right above the big heart with the ink pen. These represent everyone else.
4. Here comes the fun part. Put the bottom of the paper towel in the water. The water represents Jesus.
5. As the water is absorbed, you will see the red marker moving up to the smaller hearts and filling them.

That's exactly what Jesus wants us to do! Jesus wants us to pass along the same love He gave us.

Dear God, thank You for loving us. Help me to love others the way that Jesus loves us. In Jesus' name, Amen.

Parents, use the topic below to start a God-conversation with your children.

Talk about your love language(s) towards others. Give examples where applicable.

The 5 love languages are: acts of service, quality time, physical touch, words of affirmation and giving gifts.

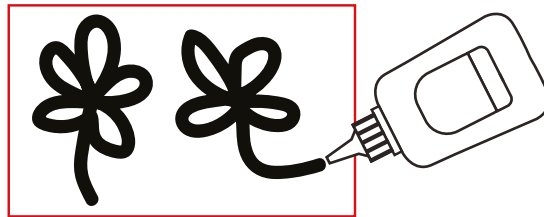

SALT PAINTING

MATERIALS NEEDED:

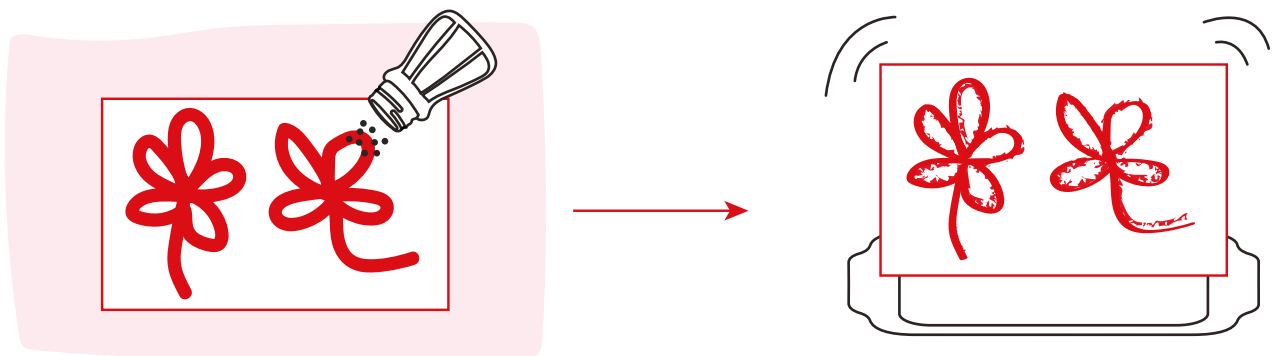

- Salt
- Black Paper
- White Glue
- Paint Brushes
- Watercolor Paint
- Empty Tray
- Cup of Water
- Newspaper

INSTRUCTIONS:

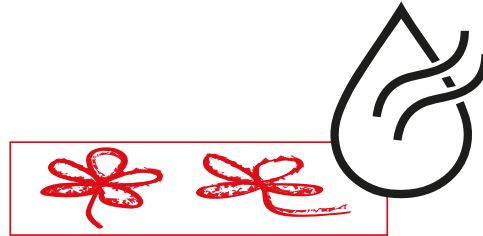

1. Lay the black paper on a piece of newspaper. Using white glue, draw your desired picture on the black paper (e.g. fireworks, flowers, car). Tip: You will achieve a better effect if you do it thick.

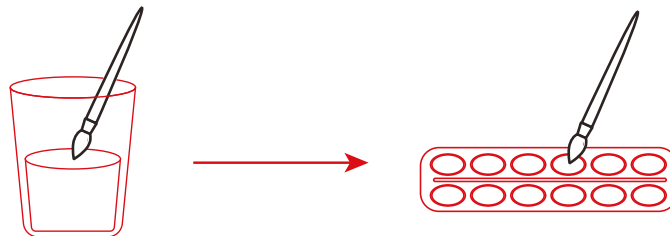

2. Sprinkle salt all over the glue generously before it dries. Make sure all the glue is covered with salt. Shake off the excess salt into a tray or bin.

SALT PAINTING

3. Let the salt and glue dry before painting over the salt. Wait about 10 minutes.

4. Now it's time to paint! Wet your paintbrush before dipping into the paint.

5. Lightly paint on the salt and make it as colourful as you want. Do not drag the brush too much or use too much force, otherwise the salt may get messed up.

6. Let the paint dry and there you have it - a beautiful painting made of salt!
