

## **ONLINE SALVATION CALL METHODS**

One of the main purposes of Connect Groups is outreach. We want our Connect Groups to be a place where people can receive salvation. Conducting an effective online salvation call is key to giving people an opportunity to receive Jesus. Here are some simple ways you can give a salvation call online:

### **1. THE THUMBS UP METHOD**

- After sharing the gospel, tell them they will have an opportunity to respond before praying the sinner's prayer.
  - i. The opportunity to respond is BEFORE the Sinner's Prayer
- Tell everyone to close their eyes and give you a thumbs up after you count them down from 3
- Let them know once they have given a thumbs up they can put down their hands
- Acknowledge the thumbs up without indicating who they are
- Ask them to repeat after you and pray
- Once done let those that didn't give a thumbs up know they can still talk to you if they made a decision to accept Jesus
- After Connect Group, follow up personally with those that gave you a thumbs up

### **2. PRIVATE MESSAGE METHOD**

- After sharing the gospel, tell them they will have an opportunity to respond before praying the sinner's prayer.
  - i. Their opportunity to respond is BEFORE the Sinner's Prayer
- Tell everyone they can privately message via Zoom or other platforms
  - i. They can just send a simple emoji/word "YES" so that their response will be brief and quick
- Count them down from 15 to give them time to send it to you and wait for your internet or messages to load
- Once the 15s is up acknowledge that you have received the messages
- Ask them to repeat after you and pray
- Once done let those that didn't private message you, know they can still talk to you if they made a decision to accept Jesus
- After Connect Group, follow up personally with those that privately message you

### **3. FOLLOW UP AFTER SALVATION CALL METHOD**

- Let everyone know that you will be praying the sinner's prayer and they can repeat after you to accept Jesus
- Tell them if they repeated the sinner's prayer, they can message/talk to you after Connect Group
- Ask them to repeat after you and pray
- Once done remind them that they can message/talk to you after Connect Group
- After Connect Group you should respond to any messages or any that would like to talk to you about their decision
- You should also check in with the new contacts that came
  - i. You can do this personally or through the friend that brought them

## **ANNEX 1**

### **SINNER'S PRAYER:**

“Dear Jesus, I know that I’m a sinner, and I want You in my life. Please forgive me of my sins, wipe my past away, and make me a new person. Jesus I believe that You’re the Son of God, You died for me, rose again, and right now You’re living in my heart. I open the door of my life and receive You as my personal Lord and Saviour. Thank You for Your love. In Your name I pray, Amen.”
