DISCUSSION QUESTIONS

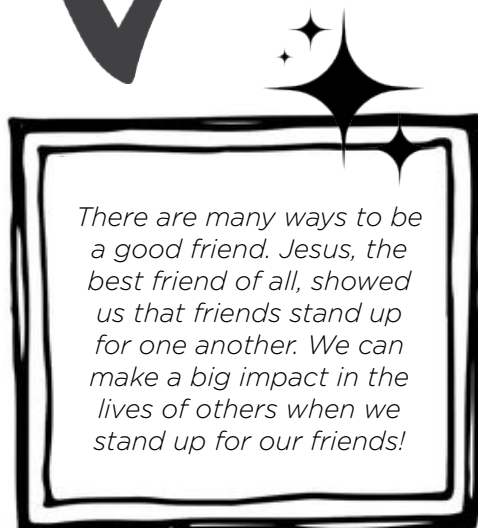

Younger kids discussion questions:

What would you do if:

- Your friend was playing a musical instrument in the school concert but messed up a few times. Your friend was feeling really sad about the mistakes.
- A new kid joined your class at school and was wearing flip-flops, even though it was cold outside! All your friends were making fun of his shoes behind his back.
- You broke a mug in the kitchen because you weren't careful putting it in the dishwasher, but your mom thought it was your sister and blamed her. You were off the hook!
- You sit down with all of your friends at the lunch table, but look over and see another kid in your class sitting by themselves, reading.
- You're playing basketball at recess with your friends when someone else from your class asks to join. You have enough people already, and you don't really need another person to join your team.

Older kids discussion questions:

- Do you know anyone who might need someone to stand up for them?
- Have you ever been pushed around or overlooked? How does that feel?
- How does it make you feel when someone stands up for you?
- How do you think God would want you to stand up for someone else?

There are many ways to be a good friend. Jesus, the best friend of all, showed us that friends stand up for one another. We can make a big impact in the lives of others when we stand up for our friends!

LET'S PRAY!

Dear God, thank You for being a friend who we can talk to at all times. Help us have the courage to speak the truth about our friends, have the heart to encourage our friends, and have the eyes to see when our friends are lonely and invite them in. In Jesus' name we pray, Amen.
