We can never thank God too often or have too much gratitude. When you feel thankful, it's important to show it by saying thank you. Here are 5 things you can say to thank God:

Thank You, Lord. You are good.

You are the greatest God of all.

You are the most powerful Lord of all.

You are the only one who can do great miracles.

You are the God who remembers us.

LET'S PRAY!

Dear God, all good things come from You. Give us grateful hearts that are quick to give You thanks every day. Help us show our love for You and for others with words and actions. We want to live a life that shows our gratitude. We love You. In Jesus' name we pray, Amen.
