The Bible reminds us many times to be careful with our words. God knows how important words are and wants us to use them wisely. We need to speak positive words that will encourage others.

LET'S PRAY!

Dear God, we want to build people up with good words and not destroy them with bad ones. Holy Spirit, help us. If we have been hurt by bad words in the past, heal our hearts, and make it whole again. We commit ourselves to You. In Jesus name we pray, Amen.
