

Prayer and Reflection

March Week 5

As children of God, we need to understand the importance of Resurrection Sunday (Easter).

What are some things we should remember when we celebrate Easter?
Use a highlighter to highlight the correct sentences.

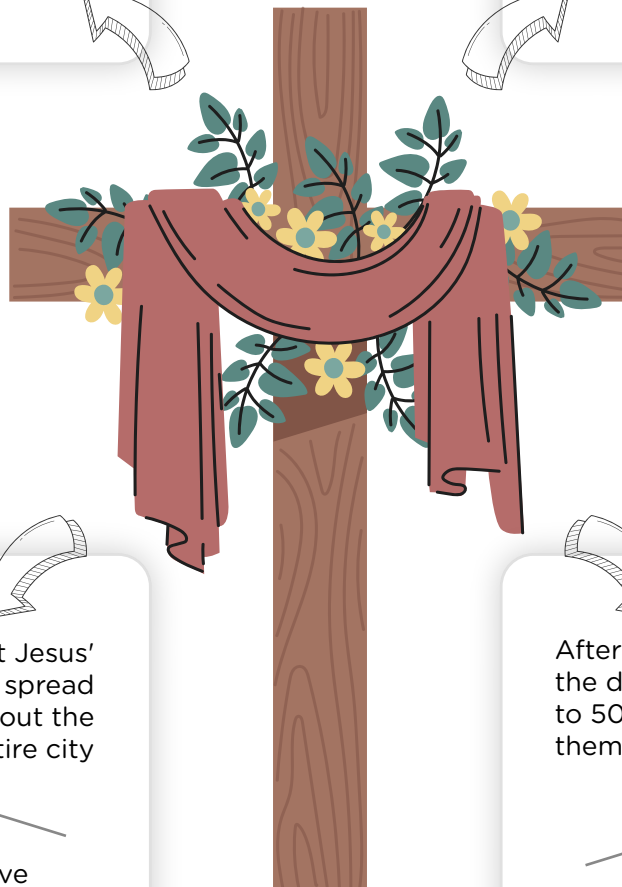

Death has no power over us because of Jesus' resurrection

Death is a scary thing that we must fear

Jesus died and that was the end of the story

Jesus rose from the dead 3 days later

News about Jesus' resurrection spread throughout the entire city

Many people do not believe that Jesus is alive so it must be fake news

After Jesus rose from the dead, he appeared to 500 people to show them that He is alive

No one could prove that Jesus is alive

*Jesus is alive! He is with us no matter what - He is omnipresent!
Our life may not be perfect, but because Jesus is alive, we can depend on Him for protection, provision, wisdom and guidance.*

LET'S PRAY!

Dear Jesus, thank You for being a faithful promise keeper and fulfilling the promise You made to us. Through Your death, burial and resurrection, we are able to receive Your forgiveness. As we celebrate Easter, help us to remember You in everything we do. We love You! In Jesus' name we pray, Amen.
