

Uniqueness is learning more about yourself so you can make a difference.

DAY

1

Use Me

God has given each of us special gifts that we can share with others. What has God given you? Maybe you are a great singer, writer, or baker. Today, think about how you can use one of your special talents to share God's love with someone else. With your adult, make a plan to create, write, or make something to show God's love to others.

ASK God to use you.

DAY

2

Use What You Have

Think of a way that you can share what you have with others. You might be ready to donate some clothes or toys you no longer use to someone who needs them more. You might have some extra time at recess where you can play with someone new or even share a warm smile! Use what you have, no matter what it is, and use it to help others.

LOOK for ways you can use what you have to help others.

DAY

3

Use It Faithfully

This week's verse tells us that God has given us each a gift and we need to use it faithfully. Start by reading this week's verse quietly and gradually get louder and louder each time you read it!

THANK God for giving you gifts.

DAY

4

Share Your Gifts

Ask God to help you share your gifts:

~~~~~  
 "Dear God, help me to see the needs of others and use my gifts to make a difference. Thank You for giving me special gifts that I can use. Help me to use them well this week. Amen."

~~~~~  
KNOW that God will use your gifts to help others.

Use your gifts to make a difference.
