Week 4

Kindness Footsteps

In today's Bible story, Paul used kind and encouraging words to help others feel happy and strong. Now it's your turn! Look at the footprints. Some footprints have kind, encouraging words. Some have mean and unkind words.

Listen as your Small Group Leader reads each word. Colour the footprints with words that are kind and encouraging.

Midweek Activity:

Choose 3 footprints with kind words. Say these 3 encouraging phrases this week!
