## I Can Have Hope

These are some of the characters you saw in today's movie. Stick one star on each star shape. These are glow in the dark stars—so when you see them glowing in the dark, they will remind you that you can always have hope, even in dark situations!

# I CAN HAVE HOPE

## Week 1

### Bring Hope

Today, we learnt about HOPE. Even when things go wrong, we can have hope that things can get better. Paste a 'I Can Have Hope' sticker on each circle to remind yourself to have hope in every situation.
