Week 4

Prayer and Reflection

Part 2:

The decisions you make not only affects you, it affects the people around you. Some decisions you make have short term impact, while some decisions have lasting consequences. Discuss the following questions with your Small Group Leader.

What are some decisions that will affect your friends or family? (e.g. the words I use, my reactions during disagreements, whether I'm honest or dishonest, etc)

Think of a time when you took a longer than usual to make a decision. Did you make the right decision in the end?

Share examples of decisions that are easy for you (e.g. what to eat, how to spend your free time), and decisions that are hard for you (e.g. friendship decisions, which school to go, which CCA to join, etc).

When you struggle to decide, what would you normally do? (e.g. who do you ask for advice? do you sleep on it? flip a coin? pray?)

Summary

In life, we will have many decisions to make. Some will be easy, while some will be challenging. God wants us to choose what is good and pleasing to Him. That is wise. When we choose God's way, we are making the right decision.

Prayer

Dear God, help us to make wise decisions that help us and the people around us. Teach us to choose what is right, good and pleasing to You. Our decisions matter to You, no matter our age. In Jesus' name we pray, Amen.
