Week 5

Prayer and Reflection

Part 1:

Nehemiah saw that the walls of Jerusalem were broken. It was a huge job, but he didn't give up. He prayed to God, gathered people to help, and trusted God to give them strength. With God's help, Nehemiah and his people rebuilt the wall in just 52 days! God can also help you do big things when you trust in Him.

Unscramble each word from today's Bible story. Take the letters that appear in the circled boxes and put them below answer to complete the final phrase.

GOD CAN HELP YOU

DO BIG THINGS

Prayer and Reflection Part 2:

Here is a "Wall of Confidence". In some of the bricks, write down some big things you would like to do with God's help.

Examples: Be kind to my sibling, be a model student in school, invite my friend to church, pray every day, finish reading a long book, clean your room, be good at playing a musical instrument, or helping a friend.

When you are done writing, show your completed "Wall of Confidence" to your Small Group Leader and tell him/her which is the hardest for you to do. Your Small Group Leader will pray for you. Believe that God can help you do big things!

Nehemiah and his team worked hard. Even when enemies mocked them, they didn't give up. It's easy to start strong. But what really matters is finishing strong, even when it's tough. With God's help, you can keep going. When you're feeling stuck or ready to quit, stop and pray. Ask God to give you courage, strength, focus, and the energy to finish what you started. Just like Nehemiah, you can trust God to help you do big things.

Prayer

Dear God, thank You for always being with me. Help me keep going when things get hard. Give me the strength and courage to finish what You've asked me to do. In Jesus' name I pray, Amen
