

Peace is proving you care more about each other than winning an argument.

Read: James 3:18

DAY

1

Peaceful Moves

Think of things or places that bring you peace. With a friend, take turns describing your peaceful place or thing you have in mind. Have your friend guess what you are describing.

THANK God for creating peaceful places.

Planting The Seed

In James 3:18, we read that we need to plant peace like a seed. When we make peace, we are setting down roots for friendships. Draw a flower or tree. Copy this week's verse somewhere onto the page.

LOOK for ways to plant the seed of peace with others.

DAY

2

Share Jesus

Paul wanted everyone to know about Jesus. In Romans 12 Paul shared different ways to tell others about Jesus through the things they said and did. Think of some people you can share Jesus with. Starting with the people in your home, share with each other some things you love about Jesus.

ASK God to show you who you can talk about Jesus with.

Peace, Please

Pray and ask God to allow you to bring peace to others this week.

~~~~~  
 "Dear God, please fill me with peace this week and help me to live in peace with others. Thank you for allowing me to learn about peace and for always offering me peace. Amen."  
 ~~~~~

KNOW that you can ask God for peace.

Make peace whenever you can.
