Week 1

Story Time

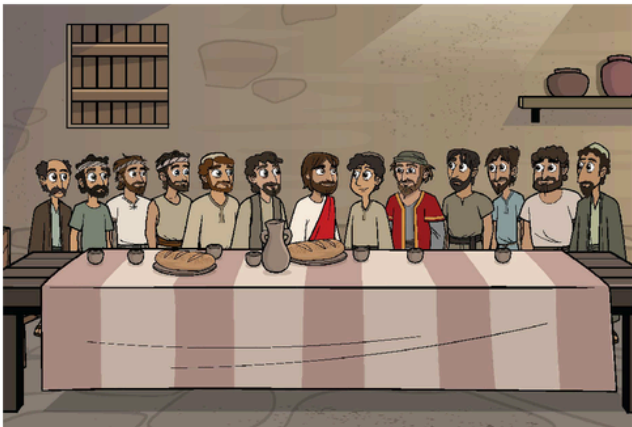

Write the numbers 1,2,3 and 4 in the boxes beside the pictures in the correct order.

That night, while Jesus was praying, angry men came and hurt Jesus badly. Jesus died on the cross.

Jesus' friends were so sad. They put Him in a tomb.

Jesus told His friends that He had to go away for a while but He would come back.

After 3 days, the stone was rolled away and the tomb was empty. Jesus is alive!
