WEEK 1

Prayer & Reflection

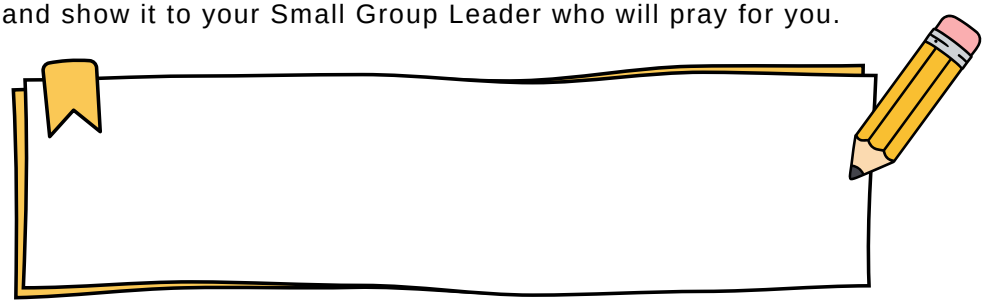
Part 2

Think about your own life. What are some things that feels impossible for you right now?

Examples: Getting an A on your least favourite subject in school, being friends with that particular kid in school, having a good relationship with your parents, overcoming a certain fear, etc.

Write it down and show it to your Small Group Leader who will pray for you.

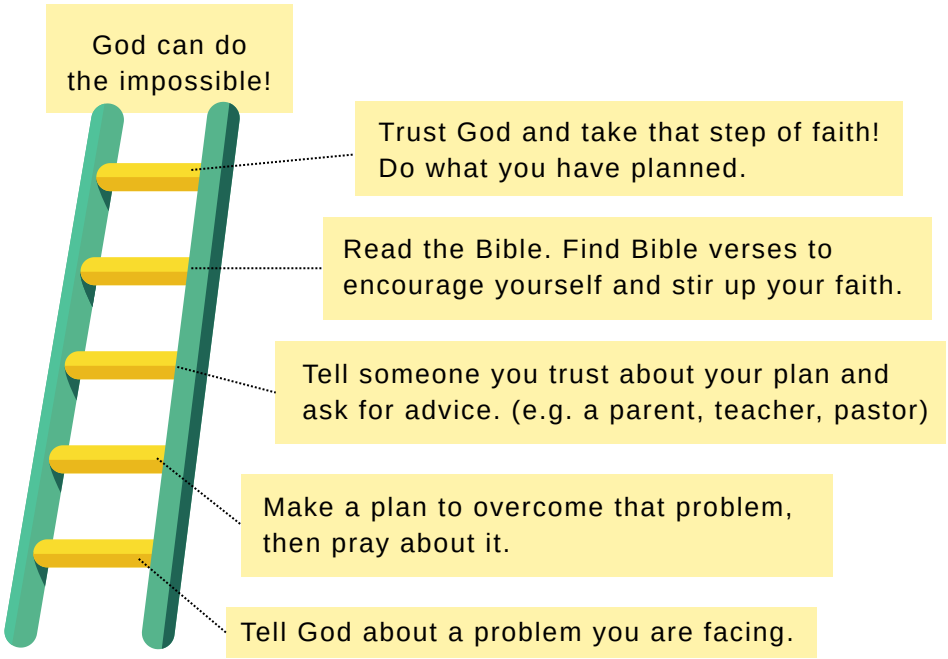


Part 3

We can take small steps towards big things that feel impossible.

Look at the Prayer Ladder below. Read the 5 steps you can take and write a date beside each step.

Commit to take that step of faith on that date you have set!



SUMMARY

When things feel too big or too hard for you, remember that nothing is too difficult for God.

Just like how Elijah trusted God, you can trust God to show up for you too! He is all-powerful! Invite God into your “impossible” situation and believe that He can make it possible.

PRAYER

Dear God, we believe that You can do the impossible. Thank You for listening to our prayers and giving us faith. What might seem impossible for us is possible for You. Help us to walk confidently knowing that You are with us always. Thank You for loving us. In Jesus' name, we pray, Amen!
